

*Big Muddy Speaker Series in Kansas City*

# Floods and Mud

## Challenges to Managing the Missouri River

The **Big Muddy Speaker Series** is expanding to Kansas City from Columbia, MO. On the second Thursday of each month at 7 pm, an expert on the issues affecting the Missouri River will speak at the Farmhouse Restaurant. The series is free and open to everyone. Please join us and experience the hospitality of the Farmhouse.

### **Robert B. Jacobson, Ph.D.**

Supervisory Research Hydrologist  
US Geological Survey, Columbia, MO

*A look at the Missouri River system, constraints and opportunities for restoration, and the potential role of recent flooding to affect change.*

**Thursday, September 8**  
**6:00 p.m. Social Hour**  
**7:00 p.m. Presentation**
