presentation by:

Doug Latka

US Army Corps of Engineers
Omaha District

What caused the Flood of 2011, what were lessons learned and how will this affect Missouri River management in the future?

Join us for a presentation and question/answer session with Doug Latka, who was on the front lines during last year's unprecedented flooding.

Tuesday,
June 12
7:00 p.m.

FREE & open to the public!
